AMENDMENT AFTER ALLOWANCE UNDER 37 CFR 1.312

Dear Sir:

Upon review of the "Notice of Allowability" mailed with the "Notice of Allowance and Fee(s) Due" August 9, 2007 Applicant identified an informal matter in Claim 19 and 20 that requires clarification.

In the "Notice of Allowability" Examiner Tran proposes Claim 19, line 2, be amended from "an Rx SIPO" to "a receiver serial-in-parallel-out circuitry (Rx SIPO)" however; Applicant notes in line 2, of Claim 19 the language is not present in the claim and the proposed amendment applies to Claim 20, line 2. Applicant respectfully requests the Examiner amend Claim 20, line 2, not Claim 19 line 2.

This amendment merely corrects an informal matter, and as such, does not add any new matter or require substantive examination. Applicants respectfully request the amendment be entered.

A listing of claims is attached hereto.

Respectfully submitted,

Michael R. Hardaway  
Attorney for Applicant
